

JKR Community of Practice

Connecting knowledge

Introduction

Salah satu inisiatif di bawah Pengurusan Pengetahuan JKR

Bertujuan untuk mengenalpasti tacit knowledge di kalangan kakitangan JKR

Communities of Practice (CoPs) are groups of people :

- ∞ shared interest, purpose, or practice
- ∞ who often collaborate via established Web sites.

These community Web spaces are designed to allow community members to share ideas and knowledge in several ways.

Benefit to The Organization

- ☞ Helping build a common language, methods, and models around specific topics
- ☞ Increasing access to expertise across the organization
- ☞ Aiding retention of knowledge when employees leave the organization
- ☞ Acting as a means of developing and maintaining long-term organizational memory
- ☞ Connecting practitioners with a common interest and need who may be co-located
- ☞ Decreasing the learning curve of new employees
- ☞ Responding more rapidly to customer needs and inquiries

Benefit to The Individual

- ☞ Helping individuals do their work
- ☞ Fostering a stable sense of community with other peers and with the organization
- ☞ Helping build individual knowledge and skill
- ☞ Providing challenges and opportunities to contribute
