Wire Mesh Welding Machine

Engtex Industries Sdn Bhd is a full subsidiary of Engtex Metals Sdn Bhd which is one of leading BRC mesh producer and hard drawn wire in Malaysia. We currently have five manufacturing facilities in Malaysia.

Engtex Industries E-fence are manufactured using modern state of art technology that meets local and international fencing standards (BS EN 10233-4:1998 and ASTM) E-fence system are stand alone and comes in complete package of pre-welded panels, stainless steel U clips, stainless steel bolt and nuts, Galvanised fencing posts. Our postes can be specially custom made using RHS/SHS/CHS of various diameters from either ultragal or hot dipped galvanised materials.

We had successfully supplied to various local Institutions such as JPS, TNB, KVMRT, DBKL, Local Universities, National Zoo and KTMB.
