

Merryfair has more than 40 years of design and manufacturing experience. Our mission is to produce and deliver high quality products that combine aesthetics, durability and functionality for our customers.

We believe that all things must be built on a strong foundation & should never forget what made us what we are today.

Merryfair was founded in 1974 as a manufacturer of office furniture components. We then ventured into a full-fledged office chair manufacturer in 1982. Today, we have grown to become a well-established organization and is recognized as being one of the leading brands in the office furniture industry.
