

RESEARCH RATING TOOL / BORANG PENILAIAN JAWATANKUASA TEKNIKAL DAN KEWANGAN (JTKP)						
PERINGKAT PENILAIAN DI AKHIR KAJIAN /COMPLETED LEVEL (DIISI OLEH MAKMAL)						
	Weak 1	Fair 2	Average 3	Good 4	Excellent 5	POINTS
XI. Impact of Research (15%)						
1 Improved JKR’s delivery/ conduct the right research to address JKR’s needs						
2 Helps solve national issues						
3 Better environment (show evidence)						
Water quality						
Restoration of nature						
Lower flood risk						
Reduced pollution						
Energy efficiency						
4 Better operation (show evidence)						
Cost saving						
Time saving						
New design (Solves delivery issues)						
Standardisation of works procedure						
5 Cost to produce product vs. savings (Return on Investment – in number of years)						
6 No. of MSc / Ph.D						
MSc						
Ph.D (submit list and evidence)						
7 Improvement of Staffs Competencies (measure satisfaction level)						
8 Improvement of researcher’s skill (e.g. service demand by non-technical agencies i.e. request for technical advice by non-technical depts.)						
9 Product or outcome contributes to:						
Knowledge						
Innovation						
Intellectual Property						
10 Research can be translated into						
Product (books, best practices, Specs etc.)						
Processes						
Services to improve quality of life
