4. Klik "Register"

The screenshot displays the J-CoP Café website interface. At the top, a navigation bar includes links for Home, Questions, Hot!, Unanswered, Tags, Categories, Users, Ask a Question, and Rules. A user profile icon and a Login button are also present.

The main content area features a section titled "Recent questions and answers" with a list of six questions. Each question entry includes the number of votes, the number of answers, the question text, the time it was answered, the user who answered it, and the total points earned. Tags are listed below each question.

On the right side, there is a sidebar with a login/register form. The form includes fields for "Email or Username" and "Password", a "Remember" checkbox, and buttons for "Login" and "Register". A large blue arrow points to the "Register" button. Below the form is a section titled "Most popular tags" with a list of tags such as stakeholder, project-management, and facilities-asset-management.

At the bottom of the sidebar, there is a section titled "All categories" with a list of categories and their respective counts: Project Management (209), Human Resource Management (131).
