7.1	ThermaLine Board (<i>Thermal Insulation Plasterboard</i>) 1220mm x 2440mm	pcs	107.00

Terms & Conditions:

- 1) As a manufacturer, we are unable to quote you an actual price of supply and install. The price quoted above is only an indicative for Peninsular Malaysia and may differ from actual costing by others eg. Sub contractors or installers. This is due to other factors such as height of partition or ceiling, total quantity of work, location of project, site condition. & install cost.
- 2) The above pricing is based on estimated supply and install cost.
- 3) The material usages are subject to change according to the final measurement at site. (Full Gyproc System / Terms & Conditions Apply).
- 4) All boards prices quoted is based on 2018 material price by Saint-Gobain Malaysia Sdn Bhd.

Your Sincerely,

MOHAMMAD IMAN MOHAMMAD ISA
