

ONDUVILLA® A GREAT DESIGN

Beauty meets function with ONDUVILLA®, a high quality lightweight roofing solution with Mediterranean-style aesthetics. Onduvilla® offers top-notch acoustic and thermal comfort while adding a distinctive beauty with its 3D colour shades and clay tile resemblance. Crown your designs with the best; go with ONDUVILLA®.

A LARGE CHOICE OF COLOURS & SHADES

IMPROVED 3D EFFECT

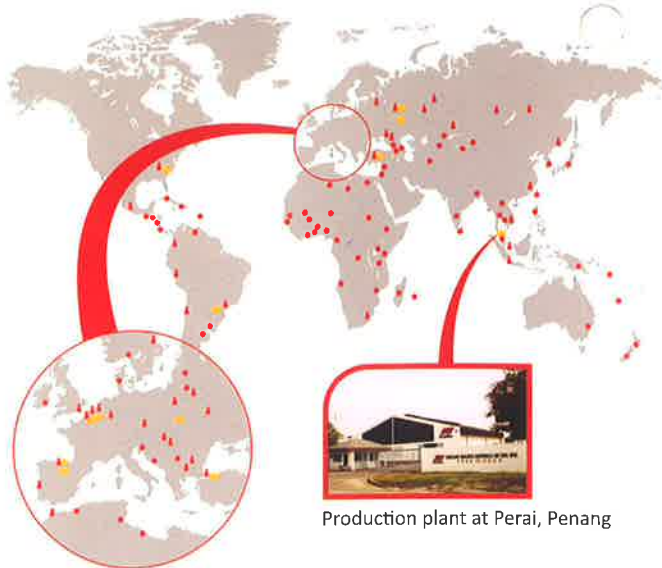

Horizontal shadows are cleverly painted on to give the thick, distinctive, raised appearance of traditional Mediterranean roofs.

ECO RESPONSIBILITY

You can count on total regulatory compliance with building codes. And when it comes to meeting high standards, ONDULINE® solutions work just as hard for the environment.

- ONDULINE® has achieved a low carbon footprint and recycles some 200,000 tons of material each year.
- Natural pigments are used for colouration.
- Products contain no traces of asbestos.
- Materials composed of recycled fibres, verified by a third party (ICC_ES), whose certificates can help for LEED.
- Ecological lifecycle performance.
